APPLICATION FOR TEMPORARY METER

DATE: _____

FOR PERIOD: _____

PROPERTY LOCATION: _____

HYDRANT LOCATION: _____

Application is hereby made for a temporary meter and water service for the purpose of supply water to _____

It is agreed that the applicant is responsible for the security and protection, including vandalism and freezing, of any Authority hydrants, meters, or other equipment supplied for this service. The applicant further agrees to abide by the Rules and Regulations of the Williamsport Municipal Water Authority relative to this service, and to pay for the water used based on the meter reading at the cost indicated in the current Schedule of Rates.

Accompanying this application is a deposit in the amount of \$_____. It is agreed that the deposit shall be used by the Authority as payment for the water used based on meter readings, for reimbursement of repairs for any damages, costs for setting and removing the meter in the amount of \$25.00 each occurrence, and overtime rate if applicable (before 8:00 AM or after 4:00 PM). After deduction of the above items, the remaining portion of the deposit shall be refunded to the applicant. Additional payments may be required if total cost exceeds original deposit.
