

**WILLIAMSPORT MUNICIPAL WATER AUTHORITY**

**RULES AND REGULATIONS  
SCHEDULE OF RATES**

Effective on all Billings after January 1, 2017  
Authorized by Board action of September 28, 2016

**SCHEDULE NO. 1 – CHARGES FOR WATER SERVICE**

All Property Owners shall pay a charge for water service as provided by current Rules and Regulations. Quarterly charges will be assessed per thousand gallons registered according to the rate structure listed below:

- \$10.00 quarterly Service Fee per unit plus \$5.60 per thousand gallons billed
- \$0.95 per thousand gallons billed for water used to fill municipal swimming pools

**SCHEDULE NO. 2 - PUBLIC FIRE SERVICE**

Municipalities will be billed time and material for: new hydrant installations, relocations of existing hydrants, repairs or replacements of damaged or destroyed hydrants.

The Authority will repair all hydrants becoming inoperative due to normal operation at no cost to the municipality.

Municipalities will be responsible for the material cost for replacement of all lost or stolen hydrant caps.
